

FAQs Page

Picture Styling

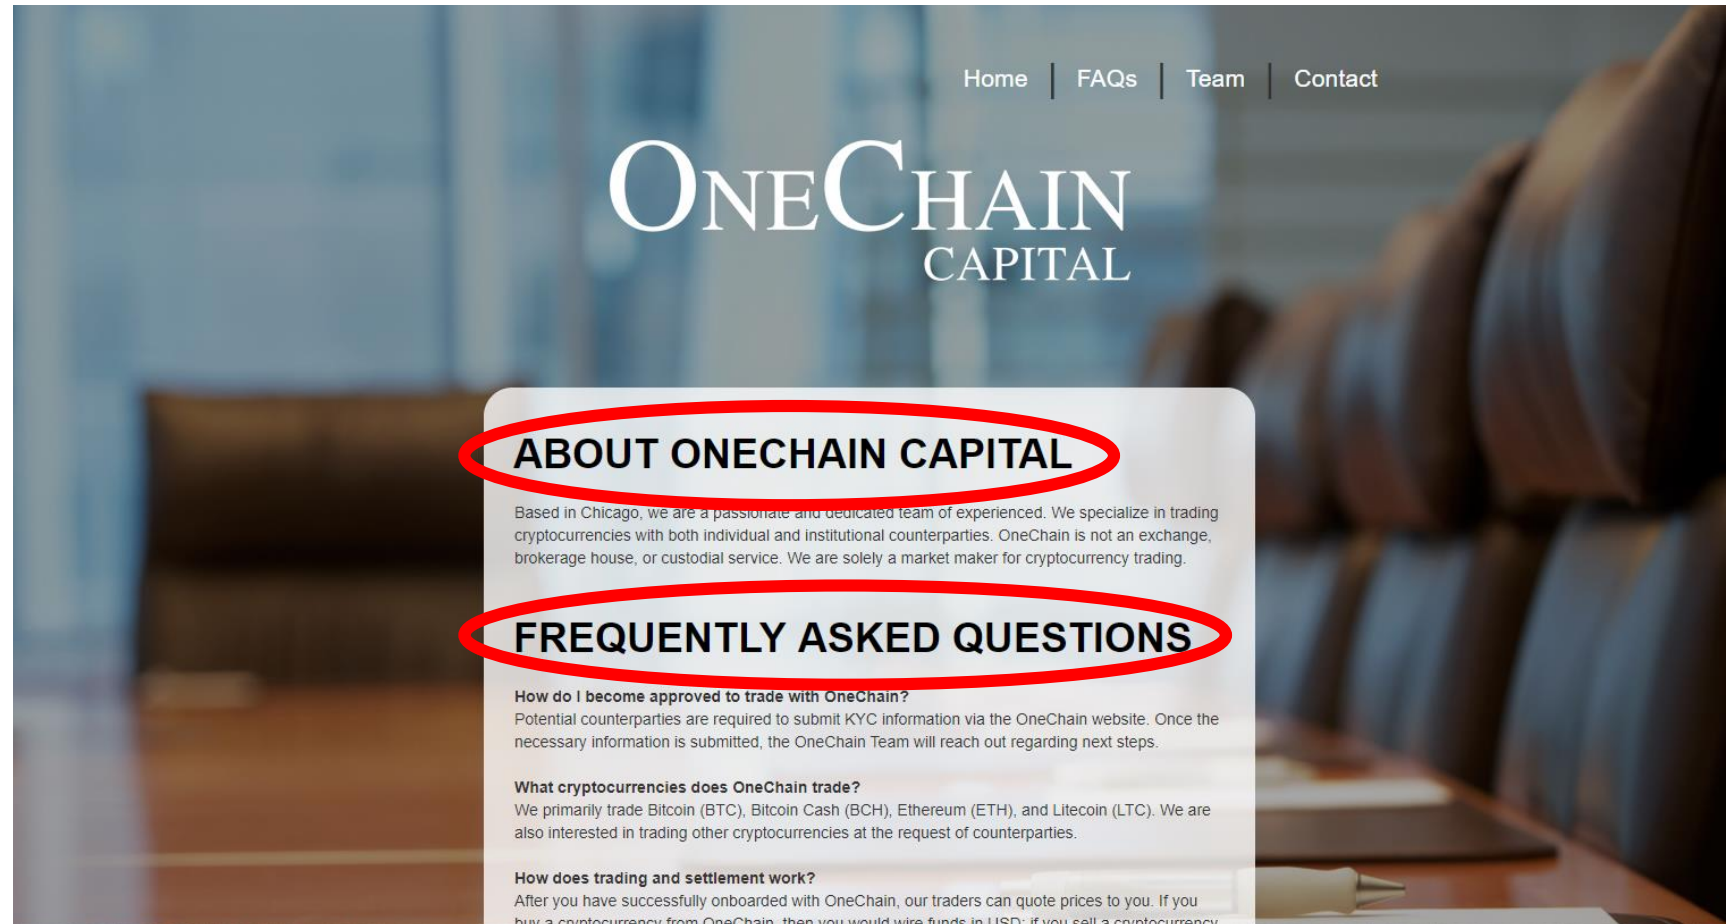

- Main Point: It would be great if background picture was clean, not blurry.

FAQs Page

Title Font Size

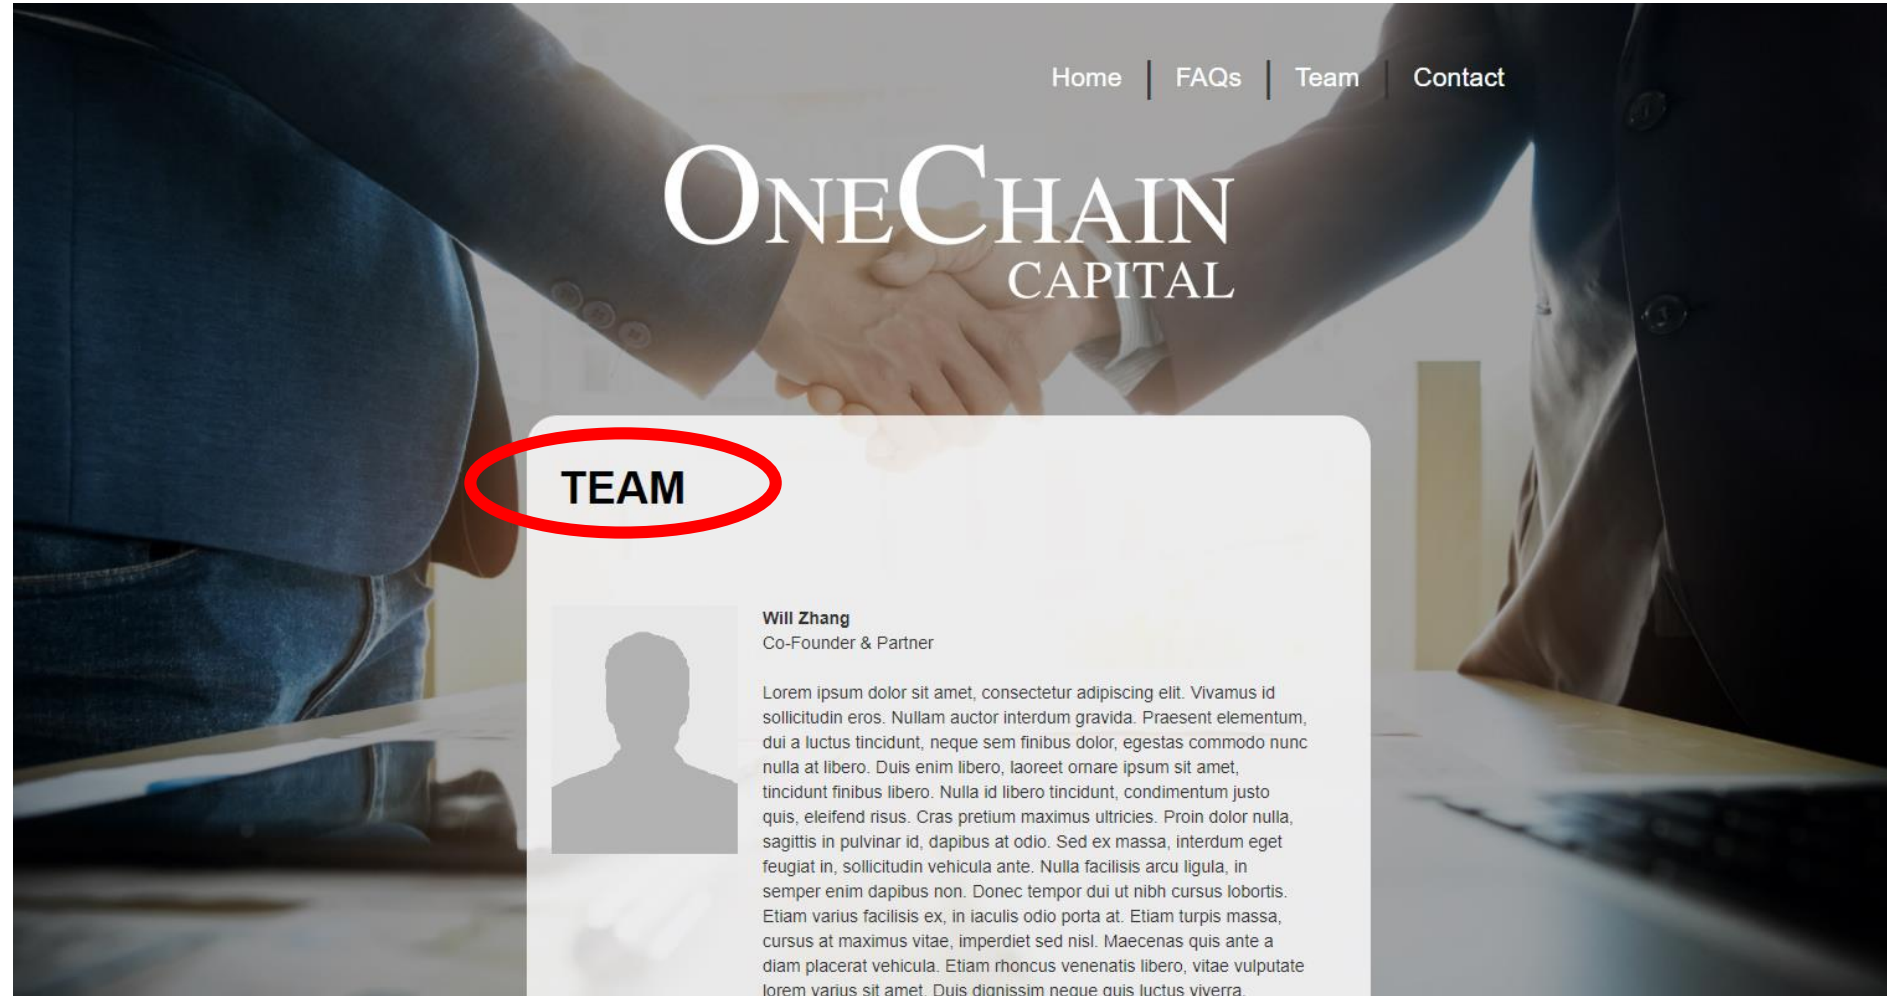

- Main Point:
Titles/headers can be smaller font and only first letter in title capitalized. Still bold.
- So, “About OneChain Capital” and “Frequently Asked Questions”

Team Page

Title Font Size

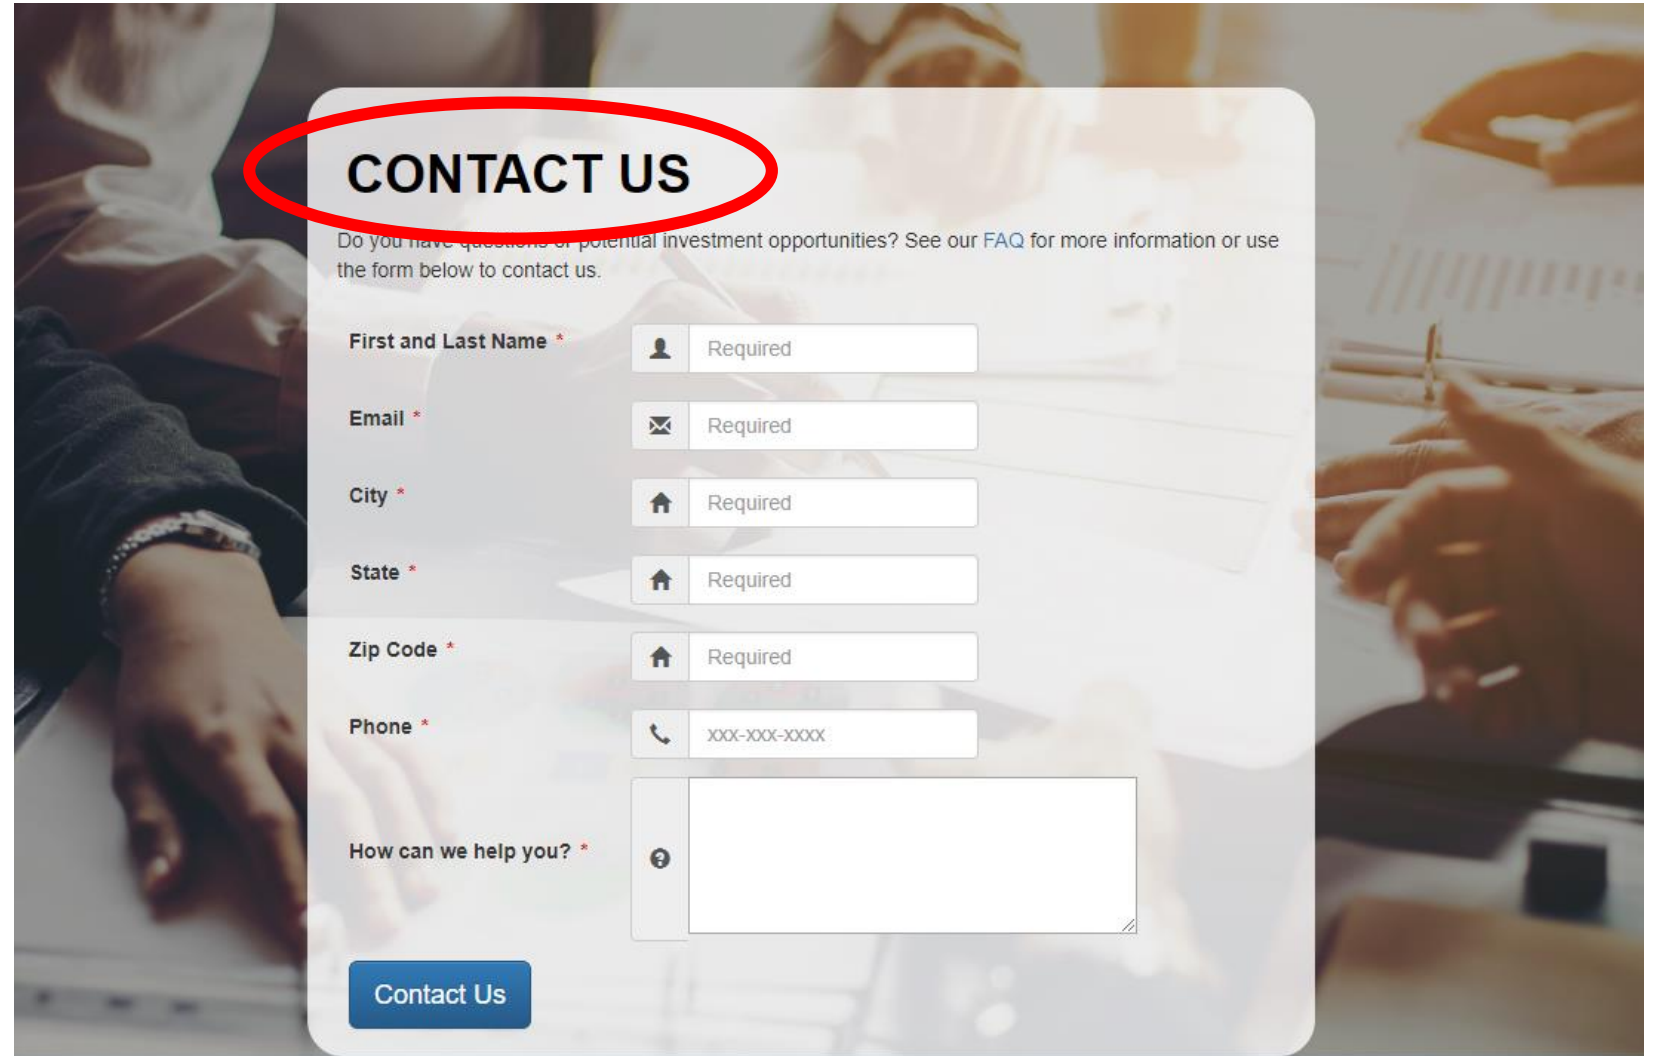

- Main Point:
Titles/headers can be smaller font and only first letter in title capitalized. Still bold. So just “Team”

Contact Us Page

Title Font Size

- Main Point:
Titles/headers can be smaller font and only first letter in title capitalized. Still bold. So just “Contact Us”

Space between bottom footer

- Main Point: Like on the Team Page, would be great to add space between the form and bottom footer on Contact page.

THE END
